- ❑ E911 Collaboration Tool
- ❑ Supports GIS Layers
- ❑ Supports UAV Ortho Imagery
- ❑ Link PDF, JPG, or Web Pages
- ❑ 3D Scenes (Point Clouds)
- ❑ Tables
- ❑ **Fully Searchable**

High School    Middle School

**E911**

Elem School    Public Building

| **Share & Integrate** | •Each campus container is its own secure web site<br>•Easily integrate with existing mapping – unlimited users |
| --- | --- |
| **Scalable** | •Campus containers are stand alone – add as you need<br>•Storage is expandable as needed |
| **Secure** | •Access requires user log in<br>•Assign permissions to empower users (view, edit, & manage) |
| **Open Data** | •Mapping is stored in standard GIS formats<br>•Media formats include PDF, JPG, PNG, MP4 |
| **3D** | •Publish 3D Scenes using point clouds (scanner or UAV)<br>•Utilize spherical imagery |
| **Sustainable** | •Campus containers are dynamic and updatable (tools included)<br>•Collaborate with campus security to update rooms, etc. |
